## New Buckeye Holiday Inn Express Topped Off

Construction continues in earnest on the new Buckeye Holiday Inn Express located South of Interstate 10 and east of Watson. The new four-story hotel will feature 76 rooms, a conference center, pool, business center, and fitness facilities. With a projected opening date of early 2016, this property will be a great amenity for residents and visitors alike. The hotel will serve not only travelers, but will help support the increasing number of events taking place in Buckeye.

## What is Growbuckeye.com?

Did you know that we continue to add content and materials to the new growbuckeye.com website? In fact, all of our current economic development marketing materials have all been uploaded with enhancements made to our strategic partners. Additionally, if you are thinking about opening a business, are hungry for data, or just curious to learn all you can imagine about Buckeye, this tool is for you! The site features robust third party economic, business, and property data and analytics which enhances the user experience.

2015 continues to be a good year for housing permits. Through the end of August, permits are up 45% year to date over 2014. The city has issued 704 permits this year which has mostly been accounted for in single family residential construction. The City has issued more permits than much larger communities in the valley including Chandler, Queen Creek, Surprise, Glendale, and Scottsdale to name a few.

## New Corner Store Coming to Verrado

The newest prototype of the Corner Store is under construction at the Northwest Corner of Market Street and Verrado Way. The new corner store will not only sell fuel, but also offer a wide array of convenience items, freshly prepared food as well as a drive thru car wash. The new store is scheduled to open in early 2016 and will be the first of many new retail amenities at the Marketside West District in Verrado.
